2007 County Highlights:

- Two restaurants implemented healthy dining programs
- Started ENERGIZE Nash! for approximately 20 at-risk 10-18 year old students.
- The middle and high schools adopted a healthy eating and physical activity curriculum in health classes

Where and how changes can be made in all counties:

Community	Increase access to places for physical activity, create farmers' markets and/or farm stands
Schools	Ensure children receive quality physical education, implement nutrition standards
Worksite	Offer physical activity classes, provide nutrition counseling
