**N.C. Department of Health and Human Services**  
**Women's and Children's Health Section**
PURPOSE: This form may be used by health department clinic staff and/or community- or school-based program staff to document and monitor select physical activity and nutrition behaviors that are key to maintaining a healthy weight. Information collected on this form may be entered on HSIS Screen 67 and local reports generated from HSIS Screen 19. These data will be useful in nutrition and physical activity program planning and evaluation.

PREPARATION: 1-6 Attach in this space the computer generated identification label or emboss the information imprinted on the client’s plastic identification card. If a label or plastic card is not available, record by hand the name, identification number, date of birth, race, ethnicity, and sex.

7 Record respondent’s (child’s) Medicaid number or leave blank.

8 Record the name and title of the person completing the form and the date the form was completed.

9 Record the patient’s height in inches and the date the measurement was taken.

10 Record the patient’s weight in pounds and the date the weight was taken.

11-23 Physical Activity and Nutrition Behavior questions may be asked of older children and adolescents, parents of toddlers and preschoolers, and adults. The form is not designed to be self-administered by clients. In general, the person administering the questionnaire should read each question and assist the respondent with identifying the response that most closely matches his/her behavior. A detailed explanation for information to collect for each item is explained in the North Carolina Physical Activity & Nutrition Behavior - HSIS Data Collection and Reporting Guidance Manual.

DISTRIBUTION: May be included in the respondent’s (child’s) health or WIC record if completed as part of a clinic assessment.

DISPOSITION: Dependent on use of the form (community-based surveillance vs clinical screening) the form may be disposed of in accordance with local agency policy or following the Records Disposition Schedule as published by the Division of Archives and History.
